Attendance Frank Donnelly, Claire Jones, Anne Costello, Martin Mc Donnell, Frank Marks

Pennants given at Home Internationals to be looked into and alternatives researched by Claire Jones, this is as a result of the majority of players forming the opinion that they are out dated and need to be reviewed.

Provincial Opens and dates are confirmed with the exception of dates sent to Fitzwilliam; this will be requested from Roland Budd who is the liaison between Irish Squash & Fitzwilliam LTC. Frank Donnelly to follow up.

Interprovincials to be held in Ulster, Frank Marks will confirm dates and venue. A representative is required for the Men’s Over 35’s and 40’s and the Ladies O 35’s teams, at this time there is nobody allocated to look after these age groups, Ed Dunne will make an effort to source a volunteer.

Dates for Home International’s to be confirmed by Frank Donnelly Criteria for a player moving from one age group to another was discussed at length, after some time it was agreed that a player moving would carry their existing points and be ranked accordingly, should it be the case that the player entering a new category be equal in points to an existing player, the existing player will be ranked higher.

Frank Donnelly will update the website with Cathy Quinn.

Meeting Ended at 2.00pm.
