Scoring Rules

Definitions:

A **TIE** is a series of five matches between two countries.

A **MATCH** is the best of five sets between two players.

A **SET** is a game up to nine (or ten) points.

Scoring:

1 score point is awarded for each **SET** won in a match and a bonus of 3 score points is awarded to the team that wins the **TIE**.

Equal Score Points:

In the event of two teams having equal score points, the winner will be the team that won the **MATCH** between these two teams.

In the event of three or more teams having equal points, the winner will be the team who won the most **MATCHES**. If still equal then the winner will be the team with highest difference between **SETS** won and lost. If still equal then the winner will be the team with highest difference between game points won and lost.
